BURNING PERMIT INFORMATION

Brockway Township and Greenwood Township enforce a burning ordinance that requires its residents to obtain a burning permit for all open burning such as brush, unprocessed tree wood etc. Permits are issued at no cost to the resident. Annual permits can be obtained at the Township Government Office.

Permits will ***NOT*** be issued for the burning of other materials such as (cardboard, paper, tires, shingles, pallets, processed wood, building materials, garbage etc.). Burning of these materials is illegal and the Burning Ordinance will be enforced.

Residents with annual permits are required to notify the Brockway Twp. Fire Dept. Chief Chris Hubbard @ 810-886-1148 and leave a message indicating their name, address, phone number, location of the outdoor burn and the dates and times the burning will take place. ***LEGAL BURNING DURING DAYLIGHT HOURS ONLY***

Residents are encouraged to provide a safety zone, clear of debris around the burn area and keep a water supply close by. Residents are also encouraged to use caution while igniting the fire and wear 100% cotton clothing to prevent burns. The wearing of synthetic clothing is discouraged during burning as it may pose additional hazards.

Burning Bans issued by the Governor will be enforced.

Outdoor burning is discouraged on windy days and or during extended dry weather.

Please be courteous of your neighbors when planning an outdoor burn.

Campfires are exempt from the permit process if they do ***NOT*** exceed 40"X40" and are contained in or by non-flammable materials (fire ring, rocks, etc.)
